

## **RECYCLED CARD PROGRAM**

This program will benefit the children at St. Jude's Ranch in Nevada. The children at St. Jude's recycle used greeting cards and then create new greeting cards for any occasion. The recycled cards are then sold in packs of 10 for \$10.00 to support their programs and services. How can you help? Bring used greeting cards (any kind) to the US Associates Office at St.

Clare Convent Center and we will send them to St. Jude's. Any questions call Joan 513.761.9040 X112 or email: [sfassociates@fuse.net](mailto:sfassociates@fuse.net)
